About OA-Havering

Based in the London Borough of Havering, our academy specialises in alternative provision and special educational needs, supporting up to 85 pupils on roll for whom traditional teaching methods have not worked. Students join us following permanent exclusion from a mainstream school or due to medical needs, or social, emotional and mental health needs, that prevent them from attending a mainstream setting.

Our mission is to provide our pupils with creative, nurturing and inspiring opportunities which re-engage them in learning. By providing a safe and engaging environment, we endeavour to remove barriers and promote the opportunity for students to excel and reach their full potential. We provide a broad and ambitious curriculum, catered to the needs of each individual, delivering the knowledge and skills that our pupils need to succeed in education and beyond. The fundamental principles of our curriculum are:

- Giving students real-world experiences.
- Creating a pathway to post 16 education, employment or training.
- Delivering outstanding learning and teaching.
- Offering rigorous and high-quality critique and feedback of students' work.
- Developing dynamic leadership – including staff and student leadership.
- Maintaining a culture of respect.

Working in alternative provision can be challenging but with it comes great rewards. This is your chance to improve the education, and lives, of some of the most vulnerable children and young people in London.

If you have the experience and enthusiasm to make a lasting difference to the students we support, we would love to hear from you.

Thank you for your interest.
